DISCOVER YOUR CENTRE

In a tranquil green pocket, central to Melbourne's landmark cultural and social precincts, The Charnwood finds a rare lifestyle balance. Design is about restoring a sense of self and wellbeing, offering residents a calm, restorative retreat from the hectic pace of a modern world.

Architecture by Hayball is at one with its environment, relaxing into a leafy residential address while losing nothing of the big city experiences right at its door. The harmonious composition of 7 townhouses and 56 apartments, inspired by the lush green canopies of Charnwood Road, are distinctly powerful in their simplicity and influential in the depth of quality and consideration that accentuates each design.
